

Student Financial Services FINANCIAL AID CONSORTIUM

Washington State University (WSU) students who plan to concurrently enroll at a **host institution** during a term may use this form to document course work and costs at the host institution. Under this agreement, WSU will act as the **home institution** (the institution administering financial aid and awarding your degree). WSU will disburse financial aid, monitor Satisfactory Academic Progress, and report enrollment to the National Student Clearinghouse. Only the home institution may disburse financial aid for the term. **WSU will not process agreements with clock-hour schools.**
